

ARGIE Z. GONZALES

(+63) 946 683 6962 | rggonzales.work@gmail.com | Bocaue, Bulacan

OBJECTIVES

Hardworking and adaptable BSIT fresh graduate (Magna Cum Laude) looking for an entry-level position to start my career. Ready to bring strong computer literacy, communication skills, and a fast-learning mindset to any team, whether in customer support, administration or technical operations.

WORK EXPERIENCE

ICTO Office Bulacan State University

Dec 2025 – March 2026

Front End Developer

- Engineered the user interface for the E-Library Automated Library Transaction System using React.js and Tailwind CSS, delivering an accessible web application for university-wide deployment.
- Architected responsive modules for secure authentication, user management, and dynamic form builders, optimizing cross-device performance and data collection efficiency.
- Developed interactive facility booking layouts for Study Rooms and Tablet Areas, reducing reservation bottlenecks for campus visitors.
